I would like to thank my friends at Wesleyan, who have truly shown me the best of what great students at a great school like Wesleyan can do Thanks to David Butts and Joseph Gangestad who helped with the 2004 SST data and thanks to all the students, faculty, and alumni of Williams College who made my summer in Williamstown an incredible

TAPE OP Fun Stereo Mic Techniques Back Issues Fun Stereo ...

My only complaint is that I wish they were stereo, I would love to hear that fat swooshing panning around in my headphones Fear not! You can get it, you just have to be creative with mic'ing the amp It's quite simple actually, just put two mics on the amp, one up close and another two or three feet away Now, pan those mics hard left and
